

CURRICULUM VITAE

Personal Information:

Name: Reza Hakkak, PhD

Title: Professor and Chair, Department of Dietetics and Nutrition, and Associate Dean for Research, College of Health Professions
Professor, Department of Pediatrics, College of Medicine
Professor, Health Policy and Management, College of Public Health
University of Arkansas for Medical Sciences

| | | |
|----------------------|--|---|
| Contact Information: | Work Address: Department of Dietetics and Nutrition University of Arkansas for Medical Sciences 4301 W. Markham Street Little Rock, AR 72205 | Home Address: 12680 Rivercrest Drive Little Rock, AR 72212 Home telephone - 501-221-9070 |

E-mail: hakkakreza@uams.edu

Citizenship: United States

Academic Training:

Postgraduate

| | |
|-----------|---|
| 1990-1993 | University of Arkansas for Medical Sciences, Instructor Department of Pediatrics, College of Medicine |
| 1987-1990 | University of Arkansas for Medical Sciences, Arkansas Cancer Research Center, Research Associate in Division of Endocrinology and Metabolism, College of Medicine |

Graduate

- 1981-1986 PhD, Nutrition, Department of Animal Science, University of Arkansas, Fayetteville, Arkansas
- 1980-1981 MS, Nutrition, College of Agriculture, Tarleton State University, Texas A&M System, Stephenville, Texas

Undergraduate

- 1973-1977 BS, Animal Science, College of Agriculture, University of Sari, Sari, Iran

Professional Experience:

- 7/1/2018 – present Associate Dean for Research, College of Health Professions, University of Arkansas for Medical Sciences, Little Rock, AR
- 1/12/2011 - present Graduate Faculty, Department of Applied Science, University of Arkansas, Little Rock, Arkansas
- 1/7/2007 - present Professor, Division of Gastroenterology, Hepatology and Nutrition, Department of Pediatrics, College of Medicine, University of Arkansas for Medical Sciences, Arkansas Children’s Hospital Research Institute, Little Rock, Arkansas
- 3/1/2005 - present Professor, Department of Health Policy and Management, College of Public Health, University of Arkansas for Medical Sciences, Little Rock, Arkansas
- 7/1/2004 - present Professor, Department of Dietetics and Nutrition, College of Health Related Professions, University of Arkansas for Medical Sciences, Little Rock, Arkansas
- 1/2/2003-6/30/2007 Associate Professor, Division of Gastroenterology, Department of Pediatrics, College of Medicine, University of Arkansas for Medical Sciences, Arkansas Children’s Hospital Research Institute, Little Rock, Arkansas
- 7/1/2000-6/30/2004 Associate Professor with Tenure, Department of Dietetics and Nutrition, College of Health-Related Professions, University of Arkansas for Medical Sciences, Little Rock, Arkansas
- 7/1/2002-3/1/2005 Associate Professor; College of Public Health, University of Arkansas for Medical Sciences, Little Rock, Arkansas
- 7/1/2002 - present Graduate Faculty, Graduate Interdisciplinary program, Department of Public Policy, University of Arkansas, Fayetteville, Arkansas
- 7/1/2001-7/1/2002 Inaugural Professor; College of Public Health, University of Arkansas for Medical Sciences, Little Rock, Arkansas
- 7/1/2000-6/30/2007 Associate Professor, Department of Pediatrics, College of Medicine, University of Arkansas for Medical Sciences, Arkansas Children’s Hospital Research Institute, Little Rock, Arkansas

9/1/1998- present Chairman, Department of Dietetics and Nutrition, College of Health Related Professions, University of Arkansas for Medical Sciences, Little Rock, Arkansas

5/1/1998-8/31/1998 Acting Chairman, Department of Dietetics and Nutrition, College of Health Related Professions, University of Arkansas for Medical Sciences, Little Rock, Arkansas

1/2/1997-12/2/2002 Senior Nutrition Scientist, Arkansas Children's Nutrition Center, University of Arkansas for Medical Sciences, Little Rock, Arkansas

1994 – present Member, Winthrop P. Rockefeller Cancer Institute, University of Arkansas for Medical Sciences, Little Rock, Arkansas

1993-2000 Assistant Professor, Department of Dietetics and Nutrition, College of Health Related Professions, University of Arkansas for Medical Sciences, Little Rock, Arkansas

1993-2000 Assistant Professor, Department of Pediatrics, College of Medicine, University of Arkansas for Medical Sciences, Arkansas Children's Hospital Research Institute, Little Rock, Arkansas

1990-1993 Instructor, Department of Pediatrics, University of Arkansas for Medical Sciences and Arkansas Children's Hospital, Little Rock, Arkansas

1987-1990 Research Associate, Arkansas Cancer Research Center, Division of Endocrinology and Metabolism, University of Arkansas for Medical Sciences, Little Rock, Arkansas

1987 Nutritionist, National Center for Toxicology Research, Food and Drug Administration, Jefferson, Arkansas

1981-1986 Graduate Assistant, Department of Animal Sciences, University of Arkansas, Fayetteville, Arkansas

1980-1981 Graduate Assistant, Department of Agriculture, Tarleton State University, Stephenville, Texas

1975-1977 Laboratory Teaching Assistant, Department of Chemistry, University of Sari, Sari, Iran

Honors:

2001 - present Member, Arkansas Obesity Task Force

2002 Member, Research Infrastructure, College of Public Health

2003 Member, Department of Pediatrics Obesity Research group

2003 - present Ad hoc Reviewer, National Cancer Institute

2004 Member, UAMS Obesity Center Steering Committee

2005 Most Distinguished Graduate, University of Arkansas

2005 - present Ex-Officio Board Member, Arkansas Department of Agriculture

2011- present Member of Winthrop P. Rockefeller Cancer Institute Cancer Control and Population Sciences group

2013 Excellent in Scholarship Award, College of Health Profession, UAMS

Professional Society Memberships:

| | |
|----------------|---|
| 2007 - present | Member, European Society for Clinical Nutrition and Metabolism |
| 2005 - present | Member, North American Association for the Study of Obesity (NAASO), Obesity Society |
| 2005 - present | American Society for Nutrition (formerly American Society for Nutritional Sciences and American Society for Clinical Nutrition) |
| 2003 - present | Member, American Society of Nutrition Science and Cancer Research section |
| 2002 | Who's Who in Medicine and Healthcare |
| 2002-2005 | American Society for Nutritional Sciences |
| 2002-2005 | American Society for Clinical Nutrition |
| 2000 - 2010 | Sigma Xi, Scientific Research Society |
| 1997 - present | American Association for Cancer Research |
| 1994-2005 | International Society for the Study of Xenobiotics |
| 1994 - present | Winthrop P. Rockefeller Cancer Institute |
| 1993 - 2010 | Society of Toxicology |
| 1993 - 2010 | South Central Chapter, Society of Toxicology |
| 1992-1999 | American Society of Parenteral and Enteral Nutrition |
| 1992-1999 | Arkansas Chapter, Parental and Enteral Nutrition |

Review Activities:

| | |
|-----------------|--|
| Grant reviewer: | National Institutes of Health, National Cancer Institute (2003) |
| | Susan G. Komen Breast Cancer Foundation (Breast Cancer Disparities 2006-2007) |
| | Susan G. Komen for the Cure (Chemoprevention Review Committee, 2008-2009) |
| | Susan G. Komen for the Cure, Scientific Peer Review committee (Postdoctoral Fellowship, 2010) |
| | United States Department of Agriculture (Bioactive Foods Study Section, 2007-2010) |
| | Department of Defense Breast Cancer Research Program (Epidemiology and Health, 2010) |
| | Susan G. Komen for the Cure, Scientific Peer Review committee (Diagnostic Therapies training Fellowship, 2011) |
| | Department of Defense Breast Cancer Research Program (Postdoctoral Fellowship, 2011) |
| | UAMS Translational Research Institute, Pilot application (2011) |
| | UAMS Medical Research Endowment (2014-present) |

Singapore Cancer Center grant reviewer (2016-present)
Graduate Women in Science Fellowships (University of Texas at Austin)
Grant reviewer for Arkansas Children Research Institute (2018-present)
Grant Reviewer for Robert Wood Johnson Foundation (April 2019)
Grant Reviewer Request for Marion B. Lyon New Scientist Development Award at ACRI (February 2018-present)
Pilot Grant Reviewer for Winthrop P. Rockefeller Cancer Institute (2021-present)

Editorial Board:

Current:

Annals of Nutrition and Metabolism (2010-present)
Oncology Letters (2010-present)
Open Journal of Pathology (2010-present)
Experimental and Therapeutic Medicine (2019-present)
Nutrients (9/2023-present)

Associate Editor:

Frontiers Diabetes Nutrition and Dietetics (2020-present)

Founder and Editor in Chief:

Journal of Obesity and Chronic Diseases (1/2/2015-present)

Past:

Journal of Nutritional Disorders & Therapy (2011-12/2015)
Journal of Clinical Trials (2012-2016)
Journal of Obesity and Weight Loss Therapy (2012-4/1/2016)
Journal of Endocrinology & Metabolic Syndrome (2012-2016)
Metabolic Syndrome (2012-2016)
Journal of Molecular and Genetic Medicine (2013-4/1/2016)

Senior Editor:

Journal of Cancer Science and Therapy (1/2013-4/1/2016)

Editor in Chief:

Journal of Obesity and Weight Loss Therapy (4/2012-4/1/2016)
Vitamins & Minerals (4/2012-12/2015)

Guest Editor:

Biomedicines; Special issue "Influence of Diet and Obesity on Prevention or Promotion of Diseases." October 2018-July 2019.

Peer Review Journals:

Nutrition (1997 - present)

Alcoholism Clinical and Experimental Research (1998 - present)

Funded grants:

Translational Workforce Development Leader: Expanding Translational Research in Arkansas: National Center for Advancing Translational Science: PI, Laura James, MD., \$24,221,701.00, UL1 TR003107 (7/1/19 - 6/30/24).

Principal Investigator: Obesity, gut microbiota and Non-Alcoholic Fatty Liver Protection in Adolescents and Adults by Soy Protein Diet. USDA, \$500,000.00 (4/1/2020-3/31/2024).

Pending Grants:

Wei Li (PI) and Reza Hakkak. Protective Effect of Different Levels of Dietary Soy Protein on Obesity Induced Non-Alcoholic Fatty Liver Disease (NAFLD) by Reducing Lipopolysaccharide (LPS) Translocation and Inflammation. USDA, \$300,000 (4/1/2024-3/31/2026).

Past Support:

Principal Investigator: Prevention of adolescent obesity-associated liver steatosis via metformin-induced alteration in the gut microbiota. ACRI, ABI, \$75,000.00 (11/1/2018-6/31/2022).

Principal Investigator: Metformin exerts immunomodulatory effects in Obese Zucker rats, which are mediated through the metabolic control pathways, AMPK and mTOR. Chancellor End of Year Fund, \$8,350.00 (6/1-6/30/2019).

Co-Investigator: Global Expression Pathway Analysis Training: Target Obesity. U of A Chancellor Challenge Seed Grant program, \$ \$76,977.00; PI Walter Bottje, Ph.D., Professor of Physiology Department of Poultry Science University of Arkansas (Oct 1, 2017 to Sept. 30, 2019).

Co-Investigator: Role of mitochondrial hormone receptors in bioenergetics and obesity. Arkansas Bioscience Institute, \$ 49,835.00; PI Walter Bottje, Ph.D., Professor of Physiology Department of Poultry Science University of Arkansas (1/7/2016-6/30/2017). This grant was renewed for 49,335.00 for 1/7/017-6/30/2018.

Principal Investigator: Effects of low and high doses of daidzein supplementation on gut microbiota and equol production in obese rats. The College of Medicine's University Medical Group (CUMG), \$40,000.00 (8/1/2015-5/31/2018).

Principal Investigator: Obesity, Soy Diet and Gut Microbiota. The College of Medicine's University Medical Group (CUMG), \$40,000.00 (1/2/2012-11/30/2014).

Principal Investigator: Obesity and Liver Steatosis Protection by Soy Protein Diet in Adolescents and Adults. Arkansas Bioscience Institute, \$50,000.00 (1/2/2012-5/30/2014).

Principal Investigator: Effects of dehydroepiandrosterone (DHEA) as an anti-obesity dietary supplement on breast cancer development in pre and postmenopausal women using the obese Zucker rat model. Arkansas Bioscience Institute, 5% effort, \$50,000.00, 2007-2010.

Principal Investigator: Soy Isoflavones and Mammary Tumor Protection in Obese Zucker Rats. USDA, 15% effort, \$100,000.00, 12/1/2006-11/30/2008.

Principal Investigator: A new animal model for breast cancer development in obese postmenopausal women: Mechanisms and role of diet. Susan G. Komen Breast Cancer Foundation, 24% effort, \$250,000.00, 2005-2008.

Co-Investigator: UAMS Nutrition and Cardiovascular Disease Prevention Project (R. Khan, PI). National Heart, Lung and Blood Institute, 10% effort, \$750,000.00, 2000-2005.

Principal Investigator: Obesity and risk of mammary tumor development in rats. UAMS/CUMG, 40% effort (no salary), \$20,000.00, 2004-2005.

Co-Investigator: Animal model of microgravity: Studies on structure-function relationships of cardiovascular, gastrointestinal and brain tissue (P. Chowdhury, PI). Arkansas Space Grant Consortium Project, 5% effort, \$45,000.00, 3/01/2002-2/28/2005.

Principal Investigator: State of Arkansas Tobacco Funds; \$49,196.00, 2/01/03-06/30/03.

Co-Investigator: Dietary factors in early human development: Health consequences of phytochemical intake (Badger, PI). USDA, 50% effort, \$1,900,000.00, 1997-2002.

Co-Investigator: Alcohol: Direct and indirect effects on drug metabolism (T. Badger, PI). NIAAA, 25% effort, \$1,764,935.00, 1998-2000.

Principal Investigator: The effects of alcohol and nutrition on gastrointestinal tumorigenesis: UAMS. American Cancer Society Institutional Grant; \$10,000.00, 1993-1994.

Graduate student Grant Awards:

1. Alisa Brown, MS, RD. (06/2007-05/2008)
Source: UAMS Arkansas Cancer Research Center (ACRC)
Amount: \$4,800.00
2. Laura Jill Richmond, BS. (01/2011)
Source: Dairy Max
Title: Expanding Dairy consumption in Texarkana Independent School District
Amount: \$44,122.00
3. Andrea Bell., MS, RD, LD
Source: Arkansas Children's Research Institute
Title: The Effects of a high and low daidzein diet on serum leptin and adiponectin levels in obese rats.
Amount: \$1,900.00 (01/04-30/11/016)

Noteworthy Presentations:

1. Soy protein diet and non-alcoholic fatty liver disease, effects of obesity and different isoflavones levels and duration. 2023 KosFost International symposium and Annual Meeting, Korean Society of Food Science and Technology (Soybean Process & Utilization). June 28-30, 2023, ICCJEJU, Korea.
https://www.kosfost.or.kr/abstract/2023_spring/

2. Obesity and Non-Alcoholic Fatty Liver Disease: Protective Effects of Soy Protein Diet. Keynote Speaker & Chair at the 7th International conference on Obesity and Metabolic Disorders Research, Virtual, May 1-3, 2023.
https://obesity.unitedscientificgroup.org/pdfs/ORC_2023-Program.pdf
3. Obesity and Non-Alcoholic Fatty Liver Diseases: Possible Prevention by Diet and Drug. Keynote Speaker & Moderator at the 6th International conference on Obesity and Chronic Diseases, Virtual, June 21-23, 2021.
4. Impact of The Gut Microbiota on Cancer Development: Prevention vs Promotion. Winthrop P. Rockefeller Cancer Institute Grand Round, UAMS, March 4, 2020.
5. Soy protein diet and Non-alcoholic fatty liver protection; role of Methylation and Oxidative Stress. Keynote Speaker & Moderator at the 4th International conference on Obesity and Chronic Diseases, San Francisco, July 1-3, 2019.
6. Can your Gut Microbiota be blamed for Disease Development? Monthly Nutrition Seminar Series, Department of Dietetics and Nutrition, UAMS, November 8, 2018.
7. Obesity-associated Chronic Diseases Development: The Role of Gut Microbiota. Keynote Speaker & Moderator at the 3rd International conference on Obesity and Chronic Diseases, Los Angeles, July 23-25, 2018.
8. Gut Microbiota: A Key Orchestrator of Cancer Prevention or Promotion? Winthrop P. Rockefeller Cancer Institute Grand Round, UAMS, March 28, 2018.
9. Obesity and Breast Cancer Prevention by weight Loss. Winthrop P. Rockefeller Cancer Institute Grand Round, UAMS, January 24, 2018.
10. Can Your Gut Microbiota Help You to Prevent Cancer? Monthly Nutrition Seminar Series, Department of Dietetics and Nutrition, UAMS, October 12, 2017.
11. Obesity: Breast cancer and Liver Steatosis protection by weight loss. Keynote Speaker & Moderator at the 2nd International conference on Obesity and Chronic Diseases, San Francisco, July 6, 2017.
12. Obesity, Soy protein and Liver Steatosis. The 21st International Conference, Functional Foods and Bioactive Compounds in Health and Disease. San Diego; March 26, 2017.
13. Obesity and Cancer Risk; the Gut Microbiota Connection; Keynote speaker at the 1st International conference on Obesity and Chronic Diseases, Las Vegas, July 25, 2016.
14. Impact of Gut Microbiota on Chronic Disease development. Monthly Nutrition Seminar Series, Department of Dietetics and Nutrition, UAMS, March 10, 2016.
15. Obesity and Fatty liver Prevention by Diet and Weight Loss. Keynote Speaker at 3rd

- International Conference and Exhibition on Obesity & Weight Management. San Francisco, December 1, 2014.
16. Effects of Obesity on Serum Methylation and Oxidative Stress Biomarkers Following DMBA Treatment. Keynote speaker at 4th World Congress on Cancer Science & Therapy. Chicago, October 21, 2014.
 17. Possible Dietary Intervention for Liver Steatosis Prevention; Monthly Nutrition Seminar Series, Department of Dietetics and Nutrition, UAMS, September 11, 2014
 18. Cancer Prevention: Steps to Reduce Your Risk, Winthrop P. Rockefeller Cancer Institute Grand Round, UAMS, March 12, 2014.
 19. Effects of Obesity and Soy protein diet on Serum Vitamin D Metabolites. 2nd International Conference and Exhibition on Obesity & Weight Management. Las Vegas, December 2, 2013, Keynote Speaker.
 20. Effects of anti-obesity dietary supplement dehydroepiandrosterone (DHEA) treatment on serum methylation and oxidative stress biomarkers in DMBA-induced mammary tumor obese zucker rat's model. 3rd World Congress on Cancer Science & Therapy, San Francisco, October 21, 2013.
 21. Cancer, The Lifestyle Connection; College of Pharmacy seminar series, UAMS, October 4, 2013.
 22. Nutrition in Cancer, 14th Annual Geriatrics and Long-Term Care Update, Reynolds Center on Aging, UAMS, September 12, 2013.
 23. Extra Body Fat and Breast Cancer Risk, International Conference and Exhibition on Obesity and Weight Management, Philadelphia, December 3, 2012.
 24. Can Your Lifestyle Choices Influence Heart Disease Development? Department of Cardiology Grand Round, UAMS, October 24, 2012.
 25. Your life style and risk of cancer development. Department of Applied Science; University of Arkansas at Little Rock, November 28, 2011.
 26. Does soy diet prevent or promote breast cancer development? BIT's 4th Annual World Cancer Congress-Breast Cancer Conference, Guangzhou, China; Nov. 16, 2011
 27. Extra Body Weight and Breast Cancer Risk, Winthrop P. Rockefeller Cancer Institute Grand Round, UAMS, March 9, 2011.
 28. A Longitudinal study of Body Mass Index in Head Start Children: A ten year follow up, Southern Society for Pediatric Research, 2011 American Federation for Medical Research, New Orleans, Louisiana, February 19, 2011.

29. Anti-Obesity Dietary Supplement DHEA and Breast Cancer Development. Monthly Nutrition Seminar Series, Department of Dietetics and Nutrition, UAMS, November 18, 2010.
30. Obesity, Diet and Breast Cancer. Grand Forks Nutrition Center, Grand Forks, North Dakota, August 3, 2010
31. Obesity and Cancer. Arkansas Medical, Dental and Pharmaceutical Association, Peabody Hotel, Little Rock, June 9, 2010
32. Obesity and Breast Cancer: How about soy in the diet? Winthrop P. Rockefeller Cancer Institute Grand Round, UAMS, October 21, 2009.
33. Obesity, Soy Diet and Breast Cancer Risk. Monthly Nutrition Seminar Series, Department of Dietetics and Nutrition, UAMS, September 10, 2009.
34. Diet, Lifestyle and Cancer Prevention. Arkansas Health Management Association Annual meeting, May 7, 2008, Peabody Hotel. Little Rock, Arkansas.
35. Adiposity and Mammary Carcinogenesis. Cancer Prevention Grand Rounds, Roswell Park Cancer Institute, September 29, 2008, Buffalo, New York.
36. Risk of Breast cancer development in obese post-menopausal women, Animal model and Mechanism of Action. Department of Nutrition, Food and Exercise Sciences, Florida State University, February 7, 2008, Tallahassee, Florida.
37. A New Animal Model for Studying Obesity and Breast Cancer Research. The International Society for the Prevention of Tobacco Induced Diseases, November 3, 2007, Little Rock, Arkansas
38. Can Your Lifestyles Choices Affects Cancer Development? Arkansas Hospital Auxiliary Association, October 31, 2007, Governor Mansion, Little Rock, Arkansas
39. Diet and Ovarian Cancer, 5th Annual ovarian cancer survivors retreat, What about the disease that Whispers Arkansas Cancer Research Center, September 29, 2007, Little Rock, Arkansas.
40. Obesity and Cancer, Are you at Risk? UAMS Rural Hospital Program, August 23, 2007, Little Rock, Arkansas.
41. Obesity and Breast Cancer—An Animal Model Opens the Door for Research, Arkansas Cancer Research Center Foundation Board, June 6, 2007, Little Rock, Arkansas.
42. Diet, Obesity and Cancer, UAMS Foundation Fund Board Meeting, May 24, 2007, Little Rock, Arkansas.

43. Have You Checked the Color of Your Diet Lately? Keynote Speaker, Annual Meeting Arkansas Farmers Market Association, February 23, 2007, Hot Springs, Arkansas.
44. Obesity and Breast Cancer. Breast Cancer Challenge 2007, Big Cedar Lodge, Ridgedale, Missouri, February 19, 2007.
45. Breast Cancer: Another consequence of Obesity? Public Health Grand Rounds, Arkansas Department of Health, November 16, 2006.
46. Obesity and Breast Cancer: What is the Link? Monthly Nutrition Seminar Series, Department of Dietetics and Nutrition, UAMS, September 14, 2006.
47. Obesity and Breast Cancer Risk. Nutrition and Health Update, University of Arkansas, Division of Agriculture, Little Rock, May 4, 2006.
48. Can Lifestyle Choices Influences Breast Cancer Development? UAMS, 15th Annual Breast Health/Mammography Seminar, Little Rock, May 6, 2006
49. Obesity and Breast Cancer. UAMS, College Of Public Health, Little Rock, June 8, 2005.
50. Obesity Promotes DMBA-Induced Mammary Tumor Development in Female Zucker Rats. Annual Experimental Biology Meeting, San Diego, April 4, 2005.
51. Zucker Rats: A New Animal Model for Breast Cancer Research. Center of Excellence for Poultry, University of Arkansas at Fayetteville, November 1, 2004.
52. Obesity and Risk of Breast Cancer Development. UAMS Preventive Nutrition Project, UAMS, Little Rock, October 14, 2004.
53. Diet and Colon Cancer Prevention, Partner in Health Science with High School Teachers, College of Medicine, UAMS, Little Rock, July 27, 2004.
54. A two year follow-up study of body mass index percentiles in Head Start Children. Annual Experimental Biology Meeting, Washington DC, April 20, 2004.
55. A follow-up evaluation in nutrition education on the health benefits of using functional foods. Annual Experimental Biology Meeting, Washington DC, April 19, 2004
56. Partner in Health Science with High School Teachers, College of Medicine, UAMS “Is your diet saving your life”, Little Rock, July 23, 2003.
57. Second malignancies incidence in breast cancer patients, 94th Annual meeting for American Association for Cancer Research, Washington D.C., July 12, 2003.

58. Can your diet prevent cancer for you?, Health Research, Policy and Health Promotion Conference, College of Public Health, UAMS, Little Rock, May 20, 2003.
59. A model for providing nutrition education to the high school teachers by using partners in health science program, Annual Experimental Biology Meeting, San Diego, California, April 12, 2003.
60. Nutrition and Cancer Prevention, one CME for physicians, CME Conference, St. Vincent Health System, Little Rock, November 12, 2002.
61. Partner in Health Science with High School Teachers, College of Medicine, UAMS “Nutrition and Cancer: New Insight into Role of diet”, July 9, 2002.
62. Cancer: Prevention by Diet, University of Arkansas Cooperative Extension Service and UAMS Department of Dietetics and Nutrition Road to Wellness Workshop May 1, Little Rock, 2002.
63. UAMS Preventive Nutrition Project “Cancer: Power of Prevention by Healthy Diet” February 14, 2002.

Administrative and Service Responsibilities:

University and Professional

Department of Dietetics and Nutrition:

| | |
|--------------|---|
| 2020 | MSCN Program Site visit by two external reviewers for UAMS Graduate School |
| 2019 | Accreditation Site Visit, UAMS/CAVHS Dietetic Internship (The UAMS/CAVHS Dietetic Internship received an excellent review with few very minor comments) |
| 2018 | Chair search committee for Dietetic Internship Director, Department of Dietetics and Nutrition |
| 2017 | Chair search committee for new faculty, Department of Dietetics and Nutrition |
| 2015 | Chair search committee for new faculty, Department of Dietetics and Nutrition |
| 2013 | Member of Arkansas Obesity Scientific and Research Symposium |
| 2012 | Chair search committee for new faculty, Department of Dietetics and Nutrition |
| 2011 | MSCN Program Site visit by UAMS Graduate Assessment Committee |
| 2010-present | Member of advisory board for UAMS Summer Undergraduate Research Program |
| 2010 | Chair search committee for Dietetic Internship Director, Department of Dietetics and Nutrition |
| 2010 | Accreditation Site Visit, UAMS/CAVHS Dietetic Internship (The UAMS/CAVHS Dietetic Internship received an excellent review with few minor comments) |
| 2009 | Member of Arkansas Genetics Health Committee, Adult Subcommittee |
| 2008 | Member of Arkansas Coalition for Obesity Prevention |

| | |
|--------------------|---|
| 2006 | Chair search committee for new faculty, Department of Dietetics and Nutrition |
| 2006 - 2015 | Member of the Grant Reviewer for College of Medicine Dean's Research Development Fund Grant |
| 2006 - present | Member of the Grant Reviewer for Pilot Study for Bridging Fund, College of Medicine, UAMS |
| 2005 | Chair search committee for new faculty, Department of Dietetics and Nutrition |
| 2005 - present | Grant Reviewer for Medical Research Endowment, UAMS |
| 2005 - 2012 | Grant Reviewer for Children University Medical Grant (CUMG) Arkansas Children Hospital Research Institute |
| 2004 | Member of UAMS Obesity Center Steering Committee |
| 2004 | Grant Reviewer for Medical Research Endowment, UAMS |
| 2004 - present | Member of UAMS Research Council, UAMS |
| 2003 - present | Member of Grievance Committee for College of Health Professions |
| 2002 - 2011 | Member of Arkansas Cardiovascular Health Program Steering Committee, Arkansas Department of Health. |
| 2002 - 2010 | Member of Arkansas Preventive Nutrition and Physical Activity |
| 2002 - 2010 | Member of Arkansas Healthy Aging Coalition Committee |
| 2000 | Accreditation Site Visit, UAMS/CAVHS Dietetic Internship (The UAMS/CAVHS Dietetic Internship received an excellent review with ten-year reaccreditation with no deficiencies or recommendations.) |
| 2000 | Directed the Self-assessment for Site Visit by UAMS Graduate School for MSCN program (MSCN received very successful review with very few comments.) |
| 2000 - present | Organizer for Monthly Nutrition Seminar series for UAMS Preventive Nutrition Project. |
| 2000 - 2003 | Member of Promotion and Tenure Committee for College of Health Related Professions |
| 2000 | Grant Reviewer for Medical Research Endowment for UAMS |
| 2000 | Grand Marshal for Commencement for Graduate School (MSCN) |
| 1999 | Diploma Assistant for Commencement for College of Health Related Profession |
| 9/1/1998 - present | Chairman, Department of Dietetics and Nutrition |
| 5/1/1998-9/1/1998 | Acting Chairman, Department of Dietetics and Nutrition |

5/1/1998 - present Member of UAMS/VA Dietetics Internship Coordinating Committee

1998 - present Member American Association for Nutrition Chairman

1998 Grand Stair Marshal for Commencement for Graduate School

1997-1999 Member of Curriculum Committee of Graduate Council

1996-1999 Member of Graduate School Council

1995 - 2001 UAMS, Six Year Plan Graduate Education committee for Department of Dietetics and Nutrition.

1994 - present Admissions committee for Master of Sciences for Clinical Nutrition.

1994 - 2000 Curriculum committee for Department of Dietetics and Nutrition.

College of Health Professions:

6/8/2021 Member of Arkansas Children’s Research Institute faculty advisory committee

5/2020 Member of search committee for recruiting Associate vice chancellor for research and innovation, UAMS.

3/2020 Member of search/selection committee for recruiting Cancer researcher at The Winthrop P. Rockefeller Cancer Institute

3/2020 Member of Arkansas Children’s Research Institute Surgical and Translational Research Lane

8/1/2019 Member of U of A and UAMS Research collaboration committee

3/2016-12/30/2017 Member of Promotion and Tenure Committee for College of Health Professions

2011 Grant reviewer for UAMS General Clinic Research Center (GCRC)

2010 Member of Search Committee for Dean of College of Health Related Professions

2009 Reviewer for UAMS Center for Clinical and TRI Pilot Awards Program

2009 - present Medical Research Endowment grant selection committee member, UAMS

2007 - present Member, UAMS Research Advisory Committee

2007 Member of Search Committee for Associate Dean for Academic and Student Affairs, College of Health Related Professions

2005 Member of Search Committee for Associate Dean for Administrative Affairs, College of Health Related Professions

2004 Member of Search Committee for Associate Dean for Academic and Student Affairs, College of Health Related Professions

- 2002 Member of Search Committee for Dean College of Pharmacy, UAMS
- 2002 Member of Committee for Faculty Incentive Plans, College of Health Related Professions
- 2002 Member of Search Committee for College Recruiter, College of Health Related Professions
- 1/14/2000 - 2009 Member of General Clinic Research Center (GCRC) Advisory Committee
- 7/1/1999 - 2007 Member of CHRP Minority Affairs Scholarship Committee

College of Public Health:

- 2002 Member of Research Infrastructure for UAMS College of Public Health.
- 2001-2002 Member of Admissions committee for College of Public Health
- 2001-2002 Member of Curriculum Committee for College of Public Health

University of Arkansas for Medical Sciences:

- 2021 Chair Organizing Committee for the 6th International conference Obesity and Chronic Diseases, Virtual, June 21-23, 2021. ICOCD-2021: https://obesity.unitedscientificgroup.org/pdfs/ICOCD_2021_Program.pdf
- 2019 Chair Organizing Committee for the 4th International conference Obesity and Chronic Diseases, San Francisco, July 1-3, 2019. ICOCD-2019: <https://unitedscientificgroup.com/conferences/obesity-and-chronic-diseases>
- 2018 Chair Organizing Committee for the 3rd International conference Obesity and Chronic Diseases, Los Angeles, July 23-25.
ICOCD-2018: <https://www.unitedscientificgroup.com/conferences/obesity-and-chronic-diseases/>
- 2017 Chair Organizing Committee for the 2nd International conference Obesity and Chronic Diseases, San Francisco, July 6-8.
ICOCD-2017: <http://unitedscientificgroup.com/conferences/obesity-and-chronic-diseases/2017/home.php>
- 2017 Co-chair “Current Research and Development of New Functional Products; 21st International Conference and Expo on Functional Foods. San Diego, March 26, 2017.
- 2016 Reviewer for the faculty research productivities at North Dakota Nutrition Center by USDA.
- 2016 Chair Organizing Committee for the 1st International conference Obesity and Chronic Diseases, Los Vegas, July 25-27.

ICOCD-2016: <http://unitedscientificgroup.com/conferences/obesity-and-chronic-diseases/2016/>

- 2014 Chair session for Basic Science and Obesity; 3rd International Conference and Exhibition on Obesity & Weight Management. San Francisco, December 1, 2014
- 2014 Chair session for Advances in Cancer Detection, Imaging & Prevention, 4th World Congress on Cancer Sciences & Therapy, Chicago; October 21, 2014
- 2012 Chair, Health Risks Associated with Obesity, International Conference and Exhibition on Obesity and Weight Management, Philadelphia, December 3, 2012
- 2012 Reviewer for the faculty research productivities at North Dakota Nutrition Center by USDA.
- 2011 Co-Chair, Epidemiology, Genetics, and Prevention section; BIT's 4th Annual World Cancer Congress-Breast Cancer Conference, Guangzhou, China; Nov. 16, 2011
- 2010 Member of UAMS Promotion and Tenure Appeal Committee
- 2007 Chair, Tobacco Smoking Related Diseases Section, 6th Annual Conference of International Society for the Prevention of Tobacco Induced Diseases. November 2-4, 2007 Little Rock, AR.
- 2005 - 2013 Interviewer for medical student admissions at UAMS
- 2/1/1999 - 5/18/2000 Organizer for weekly Nutrition Research Seminar series at Arkansas Children's Nutrition Center.
- 1996-1999 Interviewer for medical student admissions at UAMS

Faculty mentoring committee:

Se-ran Jun, Ph.D.; Assistant Professor, Department of Bioinformatics, College of Medicine, UAMS (2019-present)

Yong-Moon Park, MD, Ph.D., Assistant Professor, Department of Epidemiology, Fay W. Boozman College of Public Health, UAMS (2021-present)

Promotion and Tenure Reviewer/referee for the following faculty at different Institutes:

- 2002 Purdue University Department of Foods and Nutrition Reviewer for a promotion to the rank of Associate Professor with tenure.

- 2007 Purdue University Department of Foods and Nutrition Reviewer for a promotion to the rank of Professor.
- 2008 South Dakota State University, Department of Nutrition, Food Science and Hospitality Reviewer for a promotion to the rank of Associate Professor with tenure.
- 2009 University of Cincinnati Medical Center, Department of Nutritional Sciences, College of Allied Health Sciences. Reviewer for a promotion to the rank of Professor.
- 2010 Oklahoma State University, Department of Nutritional Sciences. College of Human Environmental Sciences. Reviewer for a promotion to the rank of Associate Professor with tenure.
- 2011 Virginia Commonwealth University, Department of Microbiology and Immunology, School of Medicine (Richmond, VA. Reviewer for a promotion to the rank of Associate Professor with tenure.
- 2011 UAMS, Department of Geriatrics, College of Medicine. Reviewer for a promotion to the rank of Professor with tenure.
- 2012 UAMS, Department of Pediatrics, College of Medicine. Reviewer for a promotion to the rank of Professor.
- 2013 University Sains Malaysia, Penang, Malaysia, Department of Dietetics and Nutrition, Reviewer for a promotion to the rank of Professor with Tenure.
- 2015 Oklahoma State University, Department of Nutritional Sciences. College of Human Environmental Sciences. Reviewer for a promotion to the rank of Professor.
- 2016 University of California, UC Davis, Department of Internal Medicine, Reviewer for a promotion to the rank of Associate Professor.
- 2017 Virginia Commonwealth University, Department of Microbiology and Immunology, School of Medicine (Richmond, VA. Reviewer for a promotion to the rank of Professor.
- 2017 UAMS, Department of Internal Medicine, College of Medicine. Reviewer for a promotion to the rank of Associate Professor with Tenure.
- 2018 Texas Women University, Department Nutrition and Food Sciences, Reviewer for a promotion to the rank of Professor.

- 2018 Texas Tech University, Paul Whitfield Horn Professorship, Reviewer of packet and recommendation to Provost.
- 2019 University of Illinois, Department of Surgery, Reviewer for a promotion to the rank of Associate Professor with Tenure.
- 2020 Jordan University of Science and Technology (Jordan), Reviewer for a promotion to the rank of Associate Professor with Tenure.
- 2020 UAMS, Department of Pathology, College of Medicine. Reviewer for a promotion to the rank of Associate Professor.
- 2020 UAMS, Department of Family Medicine, College of Medicine. Reviewer for a promotion to the rank of Associate Professor with Tenure.
- 2020 Oklahoma State University, Department of Nutritional Sciences. College of Human Environmental Sciences. *External reviewer for Regents Professor.*
- 2021 Texas Tech University, Obesity Research Institute and Department of nutrition Sciences, College of Human Sciences. *Reviewer for Paul Whitfield Horn Distinguished Professorships.*

Teaching:

- 2002- 2013 **Course Director** for Advanced Nutrition Seminar (NUTR 5161)
- 2003- 2016 **Course Director** for Independent Study in Clinical Nutrition (NUTR 509V)
- 2004- 2016 **Course Director** for Advanced Clinical Practicum (NUTR 523V)
- 2018-2021 **Course Director** for Advanced Nutrition and Metabolism (Micronutrient), Spring semester, UAMS, Department of Dietetics and Nutrition, Graduate School Course, Online
- 2017-present **Course Director** for Diet and Cancer Prevention, Fall semester, UAMS, Department of Dietetics and Nutrition, Graduate School Course, 16 lectures online
- Course Director** for Advanced Nutrition and Metabolism (Micronutrient), Spring semester, UAMS, Department of Dietetics and Nutrition, Graduate School Course, Online
- 2016 **Course Director** for Diet and Cancer Prevention, Fall semester, UAMS, Department of Dietetics and Nutrition, Graduate School Course, 16 lectures with ½ lectures online

- 2016 **Course Director** for Advanced Nutrition and Metabolism (Micronutrient), Spring semester, UAMS, Department of Dietetics and Nutrition, Graduate School Course, Online
- 2015 **Course Director** for Diet and Cancer Prevention, Fall semester, UAMS, Department of Dietetics and Nutrition, Graduate School Course, 16 lectures with ½ lectures online
- Course Director** for Advanced Nutrition and Metabolism (Micronutrient), Spring semester, UAMS, Department of Dietetics and Nutrition, Graduate School Course, Online
- 2014 **Course Director** for Diet and Cancer Prevention, Fall semester, UAMS, Department of Dietetics and Nutrition, Graduate School Course, 16 lectures with ½ lectures online
- Course Director** for Advanced Nutrition and Metabolism (Micronutrient), Spring semester, UAMS, Department of Dietetics and Nutrition, Graduate School Course, Online
- 2013: **Course Director** for Advanced Nutrition and Metabolism (Micronutrient), Spring semester, UAMS, Department of Dietetics and Nutrition, Graduate School Course, 15 lectures, 45 hours
- Course Director** for Diet and Cancer Prevention, Fall semester, UAMS, Department of Dietetics and Nutrition, Graduate School Course, 16 lectures
- 2012 **Course Director** for Advanced Nutrition and Metabolism (Micronutrient), Spring semester, UAMS, Department of Dietetics and Nutrition, Graduate School Course, 15 lectures, 45 hours
- Course Director** for Diet and Cancer Prevention, Fall semester, UAMS, Department of Dietetics and Nutrition, Graduate School Course, 16 lectures
- 2011 **Course Director** for Diet and Cancer Prevention, Fall semester, UAMS, Department of Dietetics and Nutrition, Graduate School Course, 16 lectures
- Course Director** for Advanced Nutrition and Metabolism (Micronutrient), Spring semester, UAMS, Department of Dietetics and Nutrition, Graduate School Course, 15 lectures, 45 hours
- 2010 **Course Director** for Advanced Nutrition and Metabolism (Micronutrient), Spring semester, UAMS, Department of Dietetics and Nutrition, Graduate School Course, 14 lectures, 42 hours
- 2009 **Course Director** for Diet and Cancer Prevention, Fall semester, UAMS, Department of Dietetics and Nutrition, Graduate School Course, 16 lectures
- Course Director** for Advanced Nutrition and Metabolism (Micronutrient), Spring semester, UAMS, Department of Dietetics and Nutrition, Graduate School Course, 15 lectures, 45 hours

- 2008 **Course Director** for Advanced Nutrition and Metabolism (Macronutrient), Fall semester, UAMS, Department of Dietetics and Nutrition, Graduate School Course, 15 lectures, 45 hours
- USMLE**, Step 2, Review Course for 3rd and 4th year medical students, Overview of Micronutrients Deficiency and Disease Process, College of Medicine, 1 lecture, 3 hours, July 14
- Course Director** for Advanced Nutrition and Metabolism (Micronutrient), Spring semester, UAMS, Department of Dietetics and Nutrition, Graduate School Course, 14 lectures, 42 hours
- 2007 **USMLE**, Step 2, Review Course for 4th year medical students, Overview of Micronutrients Deficiency and Disease Process, College of Medicine, 1 lecture, 3 hours, July 31
- Course Director** for Advanced Nutrition and Metabolism (Micronutrient), Spring semester, UAMS, Department of Dietetics and Nutrition, Graduate School Course, 15 lectures, 45 hours
- 2006 **Course Director** for Advanced Nutrition and Metabolism (Micronutrient), Spring semester, UAMS, Department of Dietetics and Nutrition, Graduate School Course, 15 lectures, 45 hours
- 2005 **Course Director** for Advanced Nutrition Seminar, Fall semester, UAMS, Department of Dietetics and Nutrition, Graduate School Course
- USMLE**, Step 2, Review Course for 4th year medical students, Overview of Micronutrients Deficiency and Disease Process, College of Medicine, 1 lecture, 4 hours, July 25
- Course Director** for Advanced Nutrition and Metabolism (Micronutrient), Spring semester, UAMS, Department of Dietetics and Nutrition, Graduate School Course, 15 lectures, 45 hours
- 2004 **Course Director** for Advanced Nutrition and Metabolism (Macronutrient), Fall semester, UAMS, Department of Dietetics and Nutrition, Graduate School Course, 10 lectures, 30 hours
- USMLE**, Step 2, Review Course for 4th year medical students, Overview of Micronutrients Deficiency and Protein-Calorie Malnutrition, College of Medicine, 1 lecture, 4 hours, July 29
- Course Director** for Advanced Nutrition and Metabolism (Micronutrient), Spring semester, UAMS, Department of Dietetics and Nutrition, Graduate School Course, 15 lectures, 45 hours
- 2003 **Course Director** for Advanced Nutrition and Metabolism (Macronutrient), Fall semester, UAMS, Department of Dietetics and Nutrition, Graduate School Course, 12 lectures, 36 hours

Course Director for Advance Nutrition Support, Fall semester, UAMS, Department of Dietetics and Nutrition, Graduate School Course, 2 lectures, 4 hours.

Alcohol and Cancer for Diet and Cancer Prevention course, Fall semester, UAMS, Department of Dietetics and Nutrition, Graduate School Course, 1 lecture, 3 hours

USMLE, Step 2, Review Course for 4th year medical students, Overview of Micronutrients Deficiency, College of Medicine, 1 lecture, 4 hours, July 31.

Course Director for Advanced Nutrition and Metabolism, (Micronutrient) Spring semester, UAMS, Department of Dietetics and Nutrition, Graduate School Course 15 lectures, 45 hours

Case Conference: Gastrointestinal PBL case in Medical Physiology course for the 1st year medical students, Department of Physiology, College of Medicine, UAMS, May 1, 2 hrs.

2002 **Course Director** for Advanced Nutrition and Metabolism (Macronutrient), Fall semester, UAMS, Department of Dietetics and Nutrition, Graduate School Course, 8 lectures, 24 hours

Course Director for Advanced Nutrition and Metabolism, Spring semester, UAMS, Department of Dietetics and Nutrition, Graduate School Course, 15 lectures, 45 hours

2001 **Course Director** for Advanced Nutrition and Metabolism (Macronutrient), Fall semester, UAMS, Department of Dietetics and Nutrition, Graduate School Course, 15 lectures, 18 hours

USMLE, Step 2, Review Course for the 4th year medical students, Water and Fat soluble vitamins, College of Medicine, 4 hours

Course Director for Advanced Nutrition and Metabolism, Spring semester, UAMS, Department of Dietetics and Nutrition, Graduate School Course, 15 lectures, 45 hours

2000 **Course Director** for Advanced Nutrition and Metabolism, Spring semester, UAMS, Department of Dietetics and Nutrition, Graduate School Course, 15 lectures, 45 hours

1999 **Course Director** for Advanced Nutrition and Metabolism, Spring semester, UAMS, Department of Dietetics and Nutrition, Graduate School Course, 15 lectures, 45 hours

1998 **Course Director** for Advance Nutrition Support, Fall semester, UAMS, Department of Dietetics and Nutrition, Graduate School Course, 15 lectures, 30 hours.

- Course Director** for Advanced Nutrition and Metabolism, Spring semester, UAMS, Department of Dietetics and Nutrition, Graduate School Course, 15 lectures, 45 hours.
- 1997 **Co-Course Director** for Advanced Clinical Nutrition, Spring semester, UAMS, Department of Dietetics and Nutrition, graduate school course, 1 lecture, 3 hours.
- Course Director** for Advance Nutrition Support, Fall semester, UAMS, Department of Dietetics and Nutrition, Graduate School Course, 15 lectures, 30 hours.
- Special lecture:** Phytochemical and Nutrition for Advanced Nutrition and Metabolism, Spring semester, UAMS, Department of Dietetics and Nutrition, Graduate School Course, 1 lecture, 2 hours.
- Co-Course Director** for Advanced Nutrition and Metabolism, Spring semester, UAMS, Department of Dietetics and Nutrition, Graduate School Course, 3 lectures, 9 hours.
- 1996 **Interaction of Nutrition and Alcohol on Drug Metabolism**, Advanced Nutrition and Metabolism, Fall semester, UAMS, Department of Dietetics and Nutrition, Graduate School Course, 1 lecture, 3 hours.
- Course Director** for Advanced Nutrition and Metabolism, Spring semester, UAMS, Department of Dietetics and Nutrition, Graduate School Course, 13 lectures, 38 hours.
- 1995 **Biotin, Thiamin, and Riboflavin**, Advanced Nutrition and Metabolism, Spring semester, UAMS, Department of Dietetics and Nutrition, Graduate School Course, 2 lectures, 6 hours.
- Alcohol and Nutrition**, Nutrition in Wellness, Health Promotion, Spring semester, UAMS, Department of Dietetics and Nutrition, Graduate School Course, 1 lecture, 3 hours.
- 1994 **Co-Course Director** for Advanced Nutrition Support, Fall semester, UAMS, Department of Dietetics and Nutrition, Graduate School Course, 7 lectures, 21 hours.
- Thiamin and Biotin**, Advanced Nutrition and Metabolism, Spring semester, UAMS, Department of Dietetics and Nutrition, Graduate School Course, 2 lectures, 4 hours.
- 1993 **Thiamin and Biotin**, Advanced Nutrition and Metabolism, Spring semester, UAMS, Department of Dietetics and Nutrition, Graduate School Course, 2 lectures, 4 hours.
- 1981-1986 **Biochemistry and Nutrition**, Department of Animal Science, University of Arkansas, Fayetteville, Arkansas, Instructor, 60 hours/year.
- 1980-1981 **Nutrition**, Department of Agriculture, Tarleton State University: Lab. Instructor, 60 hours/year.

1975-1977 **Chemistry**, Department of Chemistry, Sari University, Sari, Iran:
Instructor, 80 hours/year.

Workshops:

Facilitator and presenter: UAMS Translational Research Institute (TRI), Mentorship at all levels; 1/12/2020

Facilitator and presenter: UAMS Translational Research Institute (TRI), Mentorship at all levels; 1/29/2021

Co-Course Director: “The Colon: Structure, Function and Cancer” as part of Partners in Health Science with High School Teachers, UAMS, College of Medicine, July 27, 2004.

Course Director: “Health verses cardiovascular disease, diabetes and cancer: kids and adults are what they eat” as part of Partners in Health Science with High School Teachers, UAMS, College of Medicine, July 23-24, 2003.

Course Director: “Role of diet in prevention of cardiovascular disease, diabetics (children and adults) and cancer” as part of Partners in Health Science with High School Teachers, UAMS, College of Medicine, July 9-10, 2002.

Co-Course Director: “Road to Wellness” By University of Arkansas Cooperative Extension Service” UAMS, May 1, 2002.

Course Director: “Role of diet in prevention of cancer and other disease” as part of Partners in Health Science with High School Teachers, UAMS, College of Medicine, July 31, 2001.

Graduate Student Training:

Master of Science

Past:

1. Sui-Ying Wang, MS, 1993 Graduate, Department of Animal Science; University of Arkansas, Fayetteville, member, Master Advisory Committee. (Major Advisor: Walter G. Bottje, PhD).
2. Renee Bethel, MS, 1995 Graduate, Department of Dietetics and Nutrition; UAMS, member, Master Advisory Committee. (Major Advisor: Margaret L. Bogle, PhD).
3. Joan Divine, MS, 1998 Graduate, Department of Dietetics and Nutrition; UAMS, member, Master Advisory Committee. (Major Advisor: Jean Hine, PhD).
4. Monique Robertson, MS., Spring 1999 Graduate, Department of Dietetics and Nutrition; UAMS, member, Master Advisory Committee (Major Advisor: Jean Hine, PhD).

5. Hanna Morse, Spring 1999, Department of Dietetics and Nutrition; UAMS, member, Master Advisory Committee (Major Advisor: Wayne Campbell, Ph.D).
6. Andrea Bode, Spring 2000, Department of Dietetics and Nutrition; UAMS, Major Advisor.
7. Maisaa Khalil, Fall 2000, Department of Dietetics and Nutrition; UAMS, member, Master Advisory Committee (Major Advisor: Jean Hine, PhD).
8. Christie Brooks, Fall 2001, Department of Dietetics and Nutrition; UAMS, member, Master Advisory Committee (Major Advisor: Beverly McCabe, PhD RD, LD).
9. Anita Bercher, Spring 2002, Department of Dietetics and Nutrition; UAMS, member, Master Advisory Committee (Major Advisor: Ronni Chernoff, PhD RD).
10. Brook Miller, Spring 2002, Department of Dietetics and Nutrition; UAMS, member Master Advisory Committee (Major Advisor: Beverly McCabe, PhD RD. LD).
11. Cathleen Staggs, Spring 2002, Department of Dietetics and Nutrition; UAMS, member Master Advisory Committee (Major Advisor: Beverly McCabe, PhD RD. LD).
12. Iris McDuffie, Spring 2002, Department of Dietetics and Nutrition; UAMS, member Master Advisory Committee (Major Advisor: Beverly McCabe, PhD RD. LD).
13. Patricia Lawson, Spring 2003, Department of Dietetics and Nutrition; UAMS, Major Advisor.
14. April Hubbs, Fall 2002, Department of Dietetics and Nutrition; UAMS, member, Master Advisory Committee (Major Advisor: Jean Hine, PhD).
15. Michele Hegans, Spring 2003, Department of Dietetics and Nutrition; UAMS, member, Master Advisory Committee (Major Advisor: Jean Hine, PhD).
16. Stephanie Neyman, Spring 2003, Department of Dietetics and Nutrition; UAMS, member, Master Advisory Committee (Major Advisor: Jean Hine, PhD).
17. April Teages: Spring 2004, Department of Dietetics and Nutrition; UAMS, Major Advisor
18. JoAnne Kiehn: Summer 2004, Department of Dietetics and Nutrition; UAMS, Major Advisor
19. Nikkei Harper: Summer 2004, Department of Dietetics and Nutrition; UAMS, Major Advisor

20. Deanna Tacker, Summer 2005, Department of Dietetics and Nutrition; UAMS, Major Advisor
21. Katie Tumlison, Summer 2005, Department of Dietetics and Nutrition; UAMS, Major Advisor
22. Gracen Hauk, Spring 2006, Department of Dietetics and Nutrition; UAMS, member of Master Advisory Committee (Major Advisor: Nick Hays, PhD).
23. Amy McClelland, Spring 2006, Department of Dietetics and Nutrition; UAMS, Master Advisory Committee (Major Advisor: Rosemary Rodibaugh, PhD).
24. Megan Bennett, Spring 2006, Department of Dietetics and Nutrition; UAMS, Member of Master Advisory Committee, Master Advisory Committee
25. Mandy Mueller, Spring 2006, Department of Dietetics and Nutrition; UAMS, Advisor
26. Michel Morgan, Spring 2006, Department of Dietetics and Nutrition; UAMS, Member of Master Advisory Committee
27. Megan Richardson, Spring 2007, Department of Dietetics and Nutrition; UAMS, Member of Master Advisory Committee
28. Holly Kaiser, Spring 2008, Department of Dietetics and Nutrition; UAMS, Member of Master Advisory Committee
29. Ruth Ann Looney, Spring 2007, Department of Dietetics and Nutrition; UAMS, Member of Master Advisory Committee
30. Lyndsey Bryant, Spring 2007, Department of Dietetics and Nutrition; UAMS, Major Advisor
31. Elizabeth Clover, Spring 2007; Department of Dietetics and Nutrition; UAMS, Member of Master Advisory Committee
32. Erin Johnson, Spring 2008, Department of Dietetics and Nutrition; UAMS, Member of Master Advisory Committee
33. Anna Glenn, Fall 2008, Department of Dietetics and Nutrition; UAMS, Major Advisor
34. Elizabeth Frazier, Fall 2009 : Department of Dietetics and Nutrition; UAMS, Member of Master Advisory Committee
35. Carly Stanley, Fall 2009: Department of Dietetics and Nutrition; UAMS, Member of Master Advisory Committee

36. Anna Pennington Spring 2010: Department of Dietetics and Nutrition; UAMS, Major Advisor
37. Katie Inebnit, Spring 2010: Department of Dietetics and Nutrition; UAMS, Major Advisor
38. Charlotte Filla, Spring 2010: Department of Dietetics and Nutrition; UAMS, Member of Master Advisory Committee (Major Advisor: Nick Hays, PhD).
39. Gracen Stogsdill, Spring 2010: Department of Dietetics and Nutrition; UAMS, Major Advisor
40. Jessica Irgens, Summer 2010: Department of Dietetics and Nutrition; UAMS, Member of Master Advisory Committee (Major Advisor: Nick Hays, PhD).
41. Alisa Brown, Fall 2010, Department of Dietetics and Nutrition; UAMS, Member of Master Advisory Committee (Major Advisor: Nick Hays, PhD).
